

samagri

samagri

samagri is a furniture and product, design and make collaborative. with a backbone infrastructure built on the knowledge of millions of rural indian craftsmen, we create exclusive and even customized pieces of work, ranging from furniture to products, interiors and fashion. our work intends to create a new language for the traditional arts and crafts of india by redefining them for more modern, diverse and eclectic life-styles.

the team

a network of artisans
and craftsmen.

a team of specialist
turnkey contractors

an architecture and
design firm
