Hand-painted Ceramic Plate Installations by Molly Hatch

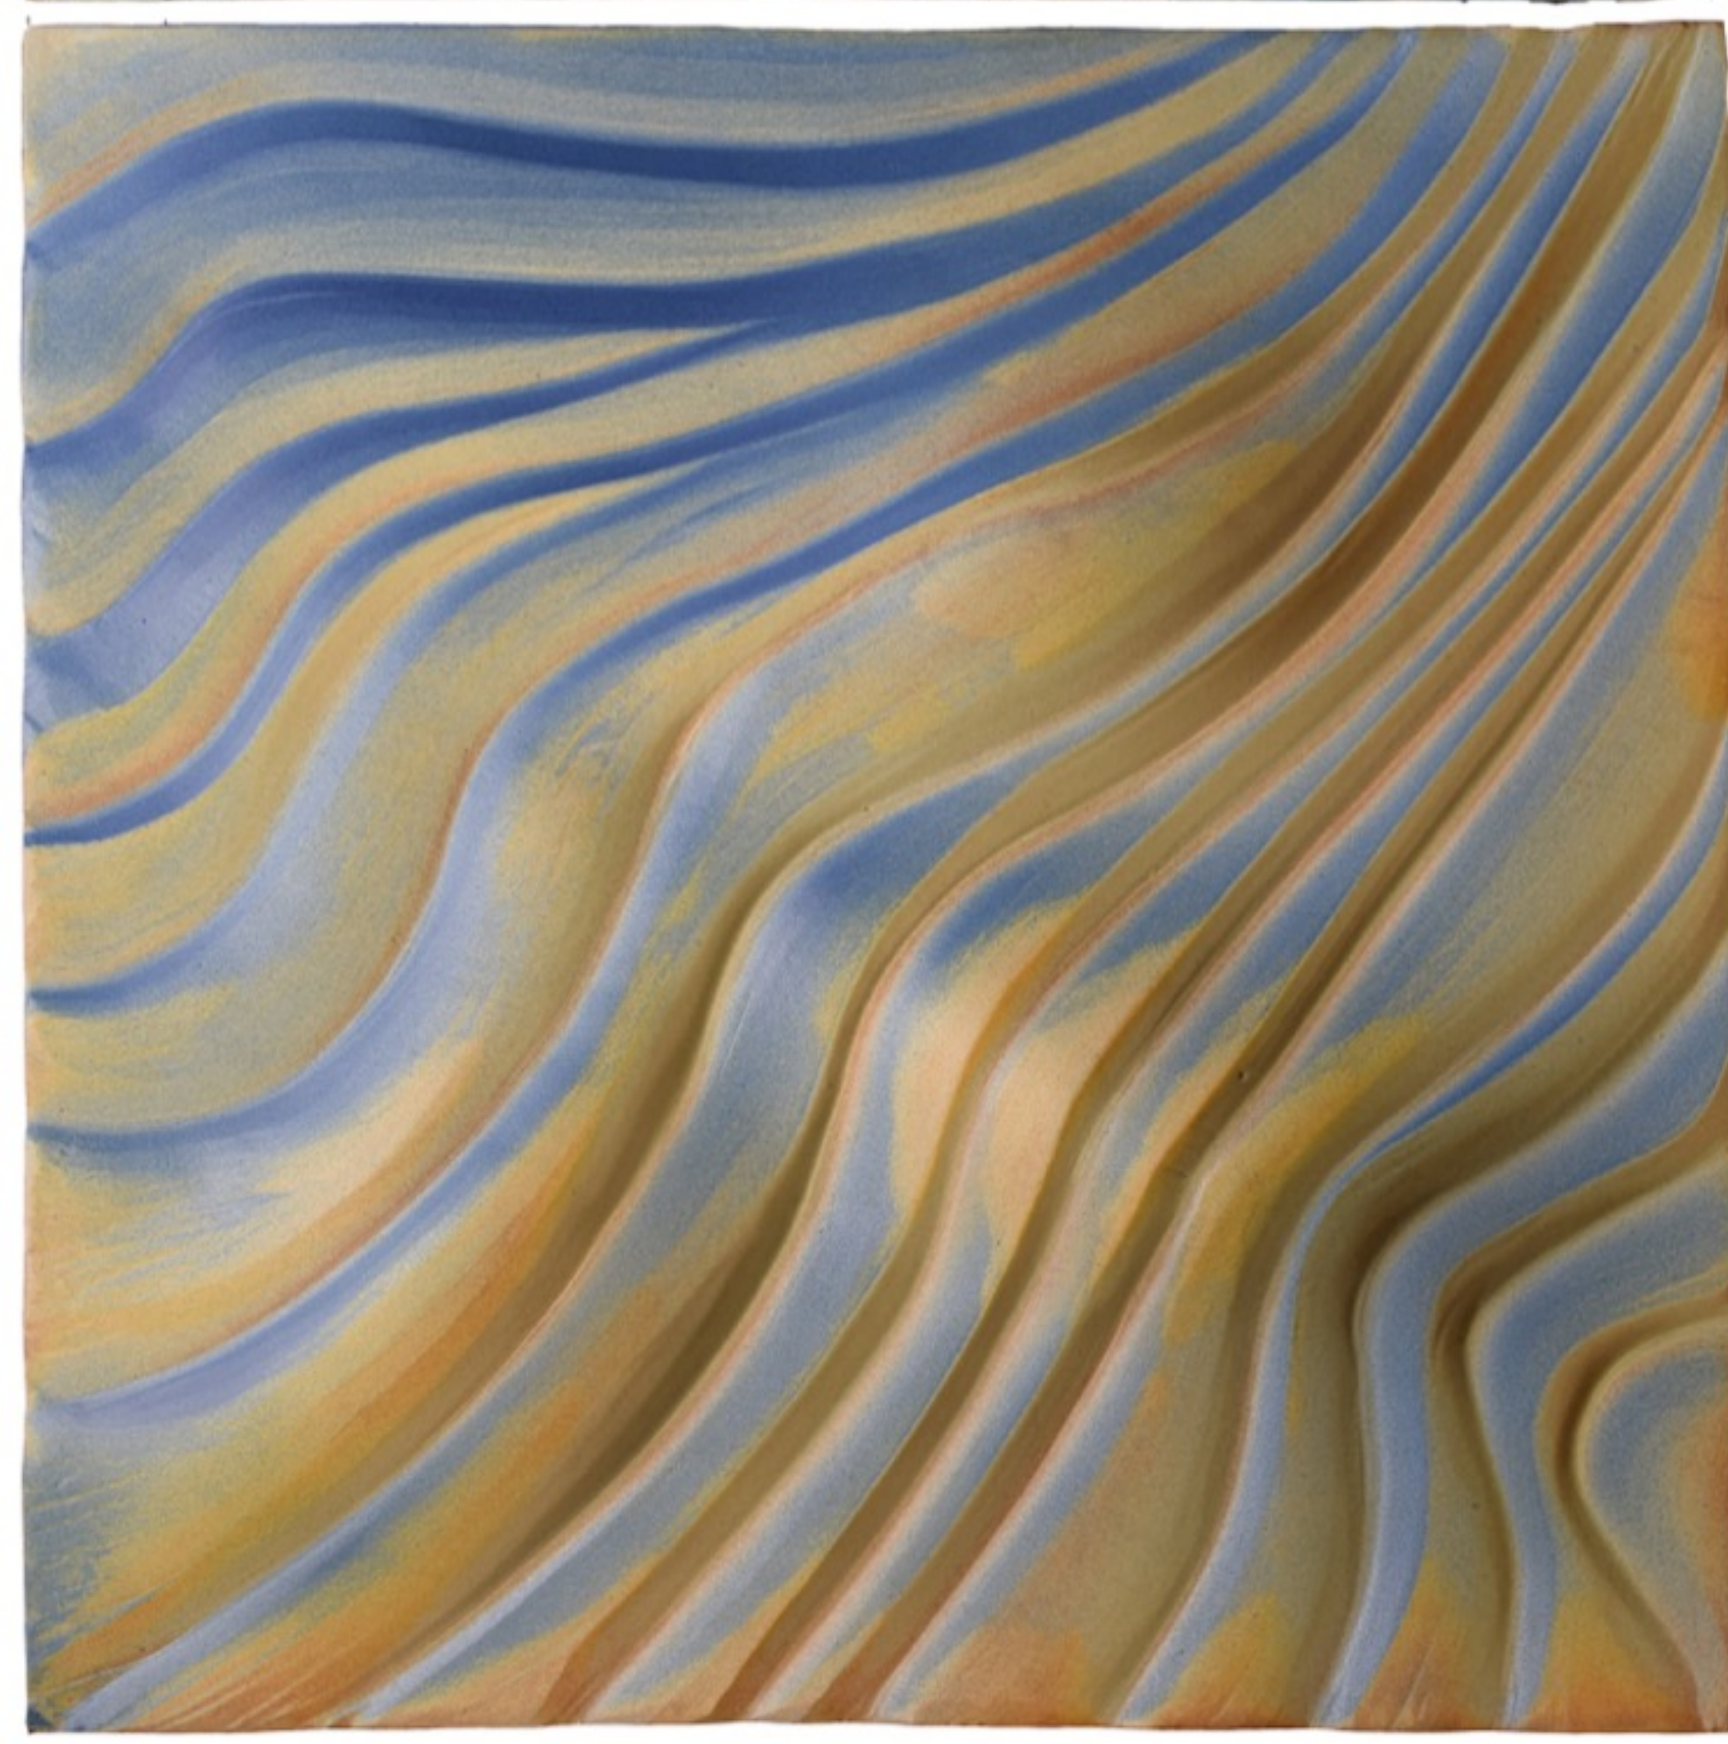

<https://mymodernmet.com/courtney-mattison-ceramic-art-installation/>

This piece is inspired by line and form. Porcelain pieces are hand carved and cast. The flow of the pieces could be reminiscent of water or rain.

Hundreds of Ceramic Circles are Linked Together in Movable Sculptures by Cecil Kemperink

Ceramic artist Cecil Kemperink creates delicate chain sheets using hundreds of interconnected ceramic loops. The chains are then draped in piles, forming malleable sculptures that are simultaneously hulki...
