Painted

Madhubani is a type of folk art form of Bihar. Mithila/Madhuban art paintings are created by artists using a variety of mediums, including their own fingers, twigs, brushes, nib pens & match sticks.

The painting of Madhubani to represented by line drawings filled with bright colors & contrasts or patterns.

In Bihar, Tisser is working with 500 women artisans attached to One Producer Company - Shilpsangh,Ranti.

Warli hand painting is a traditional art form that originated in the Warli region of Maharashtra, India. It is characterized by its simplistic style and use of basic geometric shapes such as circles, triangles, and squares. Warli paintings typically depict scenes from rural life, with human figures engaged in activities like farming, dancing, and hunting.
